**Healthy conference, healthy environment!**

**[ ] “Green Business” conference package**

- One conference room to match the number of participants and with lots of natural light
- Standard equipment, incl. LCD projector with energy-saving ECO Mode technology
- Environmentally friendly presentation materials and facilitator’s toolkit with recyclable and energy-saving materials
- Supply of writing utensils at a central location in the conference room
- 3-course seasonal lunch menu using market-fresh and regional ingredients, organic fruit juices and water
- Unlimited supply of mineral water and organic fruit juices at a central location in the conference room
- Wholesome break in the morning and afternoon with tea and Jacobs organic coffee from “sustainable development” plantations as well as homemade snacks, fresh organic fruit and organic fruit juices
- Bike rental at a discount price

2.00 euros of each conference package booked go to **EnerChem**, the research association of Max Planck Institute in Potsdam with the aim of developing solutions for future energy supplies, storage and conservation.

- Our goal is to offer our guests the possibility of holding a healthy, active and above all environmentally friendly conference.
- The high quality of products offered, the focus on healthy and wholesome foods, the endeavor to conserve energy, and healthy, active break alternatives all aim to protect the environment and promote the health of our guests.
- The use of fresh organic foods specially supplied by regional producers helps reduce transport distances and CO<sub>2</sub> emissions.
- Moreover, by booking a conference package our guests help support the work of EnerChem projects at the Max Planck Institute and the search for sustainable energy sources.
