Getting into the mood for the Wellbeing Area

Book a treatment

To secure your favourite treatment, we recommend booking with us before you arrive. This allows us to advise you personally and cater to your individual wishes. All our treatments include a pre-treatment consultation and a short rest period.

You can enquire about your treatment online. You can also make your booking by e-mail via wellbeing@kongresshotel-potsdam.de or by telephone on +49 331 907 70109.

Duration of treatment

The treatment times listed here also include the welcome, consultation and farewell by our staff to ensure you have a relaxing stay. In order to be able to cater to your individual wishes during the treatments, we will ask you beforehand what is important to you. We therefore ask you to report to the Wellbeing Reception approx.

5 minutes before the start of your treatment. Out of respect for subsequent guests, we ask for your understanding that the treatment time will be reduced accordingly, if you are late.

[comfort zone]

conscious skin science

[comfort zone] was founded in 1996 as the skin care division of the Bollati family's Davines Group in Italy. The research laboratory and production facility for high-quality skincare products is an international manufacturer of award-winning spa treatments and skincare products.

The product range combines natural and clinically effective ingredients with the holistic approach of harmonising body, mind and soul.

An exclusive selection of massages with [comfort zone] products can be found on page 10 til page 12.

PINO has been impressing customers with top-quality products for physiotherapy, massage and body treatments since 1904.

Through years of experience, the PINO team has become experts in health-orientated wellbeing treatments and preventative body treatments, which today are combined in a variety of ways with sports training. They always attach great importance to treating people and nature with respect.

Most of the massages we offer are performed using high-quality PINO oils. Please ask our staff about our selection at the start of your treatment.

Holistic Massages

Office Relief - short back massage

Treat yourself to a short break after an intensive day of seminars. This targeted back massage relieves tension in the shoulder and back areas – where screen work and long periods of sitting are particularly noticeable. A warming ointment provides soothing relaxation and promotes blood circulation.

Optional: A gentle peeling can be added to prepare the skin.

20 Min | 39.00 EUR

Surcharge Peeling | 5.00 EUR

Head massage

Experience how tension in the scalp area is gently released – through targeted, relaxing massage strokes. This intensive short treatment promotes blood circulation in the scalp, relaxes the muscles and relieves mental tension. Ideal for stress, heaviness in the head or after a long day at work – for a clear feeling in the head and new lightness in everyday life.

20 Min | 39.00 EUR

Foot massage

Our soothing massage for tired feet. It relaxes the muscles, stimulates blood circulation and provides noticeable lightness – ideal after long days or sporting activities. The massage is performed using a nourishing foot balm that refreshes and softens the skin.

25 Min | 49.00 EUR

Foot reflexology massage

During a foot reflexology massage, organs, the lymphatic and nervous systems are stimulated and positively influenced via the soles of your feet. This promotes blood circulation and activates the body's self-healing powers. Optimum results are achieved after several treatments. We recommend showering briefly beforehand and not applying cream to your feet.

25 Min | 49.00 EUR

40 Min | 75.00 EUR

Shoulder and neck massage

A massage programme to switch off. Special grip techniques and powerful oils relieve the shoulder and neck area and gently release tension. Subtle fragrances ensure deep physical and mental relaxation. Creates new life energy and grounding for creative minds and mental workers. Feel relaxed, free and revitalised.

25 Min | 49.00 EUR

Back massage

Feel tension in your back being specifically relieved with powerful yet soothing massage techniques. This intensive treatment loosens the muscles, promotes blood circulation and provides noticeable relief from back pain caused by prolonged sitting or stress. Warm sesame oil is used to nourish the skin and gently enhance the relaxing effect of the massage.

Optional: A gentle peeling can be added to prepare the skin.

25 Min | 49.00 EUR

40 Min | 75.00 EUR

Surcharge Peeling | 5.00 EUR

Massage Duo – Your personal combination

Put together your own personalised break: choose two 25-minute massages from our spa menu (Comfort Zone massages excluded) and enjoy the perfect combination for relaxation, regeneration or renewed energy. Whether it's your back and feet or any other combination you desire – you decide what's good for you.

50 Min | 88.00 EUR

Moor back treatment

Nature has beneficial and healing treasures in store. Moor was already valued by the Celts and in ancient Rome. 'Black gold' alleviates physical ailments and promotes general well-being. You will experience this intensively and comfortably in our moor back treatment. This begins with loosening the muscles of the neck, shoulder girdle and back. A warm moor pack is then applied to relieve tension and reduce inflammation.

50 Min | 75.00 EUR

„AromaBalance“ - Signature Massages

Experience a unique wellness ritual that brings body and mind into harmony. This exclusive massage combines targeted, harmonising techniques with high-quality aromatic oils, which are selected individually according to your mood. The carefully coordinated scents have a calming, invigorating or revitalising effect, depending on your choice – for noticeable relaxation and inner balance.

You can choose from:

- Mother-of-Pearl – calming, nourishing for the skin, and promotes a sense of lightness
- Swiss Pine – strengthens the nervous system, grounding and deeply relaxing
- Orange Spirit – uplifting, energizing, and emotionally revitalizing
- Orange Lemongras – refreshing, clarifying and enhances concentration
- Tranquillity Oil – luxurious body oil with a warm, velvety fragrance composition for deep well-being

Optional: Enjoy your massage on our sound bed, which gently vibrates to the rhythm of relaxing music and transmits soothing sounds.

Face Lifting Massage

A revitalizing facial massage featuring Far Eastern-inspired lifting techniques that stimulate blood circulation and intensely revitalize the skin through targeted, rhythmic movements and gentle tapping with the fingertips.

The treatment, which uses Recover Touch massage cream, further supports the skin's natural elasticity and leaves the complexion looking fresh and radiant.

40 Min | 79.00 EUR

Tranquillity Peeling Ritual

An aromatherapeutic exfoliating massage treatment for deep cleansing and cell renewal with a balancing effect. As you immerse yourself in an incomparable world of fragrances, your body and mind are harmonised. The ritual gives your skin freshness, vitality and radiance – it is optimally cared for and moisturised.

50 Min | 89.00 EUR

Tranquillity Magnesium Ritual

A modern ritual for body and mind that deeply relaxes, relieves stress, and restores a sense of calm. Inspired by ancient Indonesian healing traditions, the treatment uses a magnesium-enriched blend applied with ultra-soft silk gloves, combining traditional techniques with modern wellness science.

50 Min | 89.00 EUR

Pro Sleep Massage

The aim of this special sleep ritual is to restore calm and serenity and relieve the tension of hectic everyday life. An ideal treatment to restore balance. It works on the three senses of hearing, touch and smell and combines aromatherapy with slow movements that caress the body. The specially developed sounds calm the mind and help to remotely open the thoughts for a deep, total well-being: very effective against insomnia or jet lag.

Our Massages for expectant Moms

Mom's back massage

This carefully tailored back massage with shea and aloe oil offers expectant mothers targeted relief and relaxation. While lying comfortably on your side, your back, neck and shoulders are treated with particularly gentle, flowing strokes. The treatment helps to release tension, relieve physical strain and consciously enjoy moments of calm. A soothing break for you and your baby.

40 Min | 69.00 EUR

Mom's full-body massage

Enjoy a soothing full-body massage with Shea Aleo oil, specially formulated for expectant mothers. Lying comfortably on your side, your body will be relaxed and relieved of tension through gentle strokes. Your back, shoulders, arms and legs will be carefully loosened, and you'll feel a noticeable boost in your sense of well-being. A relaxing break for you and your baby.

60 Min | 109.00 EUR

Relaxation for 2 people

Couple ritual

The loving couple's massage takes place synchronised in a swaying, rhythmic massage flow. Warm oil envelops the entire body, loosens the muscles and has both a stimulating and calming effect. Re-energised and connected by the shared experience, you and your partner will feel reborn. Thanks to the separate massage tables, this ritual is also recommended for friends.
